## **2010 USA Softball Women's National Team Selection Camp Kicks Off Today**

OKLAHOMA CITY, Okla. - The Amateur Softball Association of America (ASA) is pleased to announce that the 2010 USA Softball Women's National Team (WNT) selection camp has officially kicked off this morning at the Olympic Training Center in Chula Vista, Calif. The 17-member team plus alternates selected from this camp will represent USA Softball during the 2010 season. The 2010 WNT will compete in the International Softball Federation's XII Women's World Championship held June 23-July 2, 2010 in Caracas, Venezuela. The complete schedule of events for the 2010 season will be announced at a later date at [www.usasoftball.com](http://www.usasoftball.com)

The attendees will go through a series of drills and scrimmage situations in front of the Women's National Team Selection Committee that will choose the final team.

"The selection camp features all the factors that enable the committee to evaluate every player," said USA Softball National Team Director Ronnie Isham. "It provides the selection committee the opportunity to see the athletes compete for a spot on the team by seeing them field balls, run the bases, play their position, hit against different pitchers, and much more. The scrimmages are also beneficial putting the athletes in real-game situations to see how they respond."

The 2010 roster will be announced on January 11.
