

January 9, 2007

Dear Junior Olympic Fastpitch Participant:

As current President of ASA◆USA-MSF softball I wanted to write you regarding our Junior Olympic Girls Fastpitch Program.

As MSF President, an active softball player/coach and parent of a JO Fastpitch player, I am very involved with softball at all levels and very interested in seeing the ASA◆USA-MSF program be the best that it can be in Minnesota. I can assure you the ASA◆USA-MSF board, staff and state JOFP committee are working hard toward this end. (See enclosed letter from ASA Executive Director Ron Radigonda)

I have enjoyed meeting a number of you at committee meetings and look forward to meeting more of you in the future.

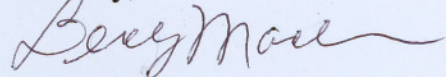

As you may know one of the goals of the Minnesota Sports Federation has been to establish a softball Hall of Fame Museum/Offices as part of a softball complex. The complex will play host to many state and national softball events and serve as a focal point for the ASA◆USA-MSF program. We are pleased to announce that this long-desired goal may be met in the near future via a partnership with a Minnesota softball community. We are excited about the opportunities the facility will present to host many prestigious and quality events. As this facility develops we will present you with further details.

Please take the time to compare and contrast the Minnesota ASA◆USA-MSF program with others offered; I'm confident you'll find our fees lower and benefits/services greater. To assist you, we offer clinics, camps, publications and videos, if you so desire. Fastpitch is a way of life for thousand of young girls in Minnesota each year, and their choice for competitive fun is ASA.

If I can be of assistance in answering questions or dispelling myths regarding the Minnesota ASA◆USA-MSF program or its administration, please do not hesitate to contact me. We distinguish ourselves by assuring you a product that is affordable, fair and managed with integrity. For specific program participation questions or opportunities please contact the MSF office.

We look forward to providing you the best fastpitch softball program possible in 2007.

Sincerely,

Becky Macken
Minnesota Sports Federation
Board of Directors, President
