USA Broomball National Championships

Another success for USA Broomball

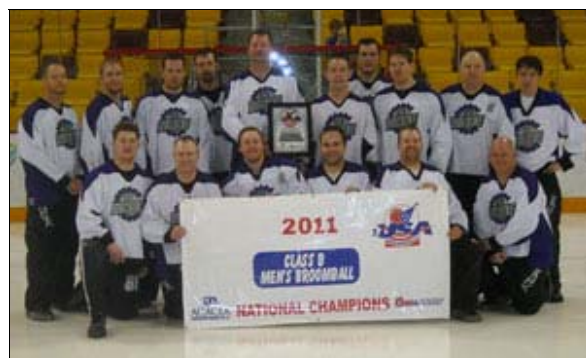

By Kevin Denesen, USA Broomball Administrator

The 13th Annual National Championships were held in Duluth, Minnesota March 18-20. USA Broomball was able to secure one of the nation's top collegiate hockey venues, the AMS Oil Arena, for the event. The participants also played in the UMD Bulldogs old home, the DECC. Both arenas were great venues to host broomball teams from New York, Maryland, Ohio, Wisconsin, Nebraska, Michigan, North Dakota, Iowa, Minnesota and the District of Columbia. Next year Nationals will be held at the Schwan's Super Rink in

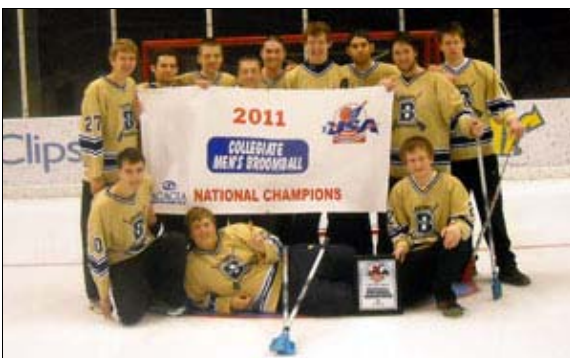

Blaine, where USA Broomball looks to break its own record for most teams participating in an indoor broomball tournament in the world. We look forward to seeing everybody back next season.

Youth Volleyball State Championships

The 23rd Season of Minnesota Sports Federation Youth Volleyball State Tournaments Comes to an End

The first of five state tournaments began in Austin, MN on March 12-13 (Quad State) with over 55 teams participating. The tournament was completed with seven state champions crowned over the course of two packed days of volleyball.

The second state tournament was held in the new location of St. Cloud State University (March State) on March 19-20. Thank you to the excellent staff at St. Cloud State for your efforts and a well-run tournament. Despite the early morning fog 33 teams participated in the event; thank you to all coaches and teams!

The third state tournament was held in Rochester on April 9-10 (April I State). This tournament is always the biggest as the facility is ideal for playing volleyball. The facility hosted over 80 teams that participated over the two days. A huge thanks to the Rochester Amateur Sports Commission and the National Volleyball Center for the great tournament and facility!

The April II State tournament was hosted by the Hutchinson Recreation Center on April 16-17. The City of Hutchinson was a new addition to the MSF calendar last year and over 45 teams participated in this year's event. Thank you to the staff at the Recreation Center for their hard work in putting on a great first class MSF event.

The May 7-8 tournament was held at the Becker Fieldhouse and High school. Thank you to the Girls High School Becker Fastpitch and Volleyball teams for hosting this event! There were 48 teams in attendance over the two days. Thank you to all officials for providing your services throughout the weekend.

The Minnesota Sports Federation is a non-profit, non-tax supported public service organization which solely conducts recreational-amateur sports activities in the state of Minnesota. Members of the Federation receive many valuable services which enable them to enjoy recreational-amateur sports to their fullest extent. Thank you for supporting the Minnesota Sports Federation!

We hope to see everyone and more back in 2012!

ROCHESTER — 13 good teams participated in the 14-Under Championships. The Hayfield Sundogs are not new to winning an MSF State Championships and they once again took first in Rochester. Receiving a bye in bracket play the Sundogs faced the Fusion of Sleepy Eye where they won in two games. In the finals they played S.E.T.T of Sibley East and won in two games 25-18, 27-26. Beating one opponent twice is difficult, but when your entire pool and then bracket is made up of those teams it is extremely difficult. We participated in some tough battles along the way. The quality of teams from Southwestern Minnesota seems to rise to the top each year.

May State Tournament Becker Fieldhouse and High School May 7-8

Spring was out in full splendor for the last weekend of state tournament play! Forty-eight teams made their way to Becker for a full weekend of volleyball. This tournament in particular brought some new teams to the court as well as others that had participated in the other northern most St. Cloud tournament.

The weekend was hosted as a fundraiser by the Becker Girls Volleyball and Softball High School teams. We appreciate their support in hosting a great tournament! We are fortunate to use a great facility. Thank you also to Tony Perez and his officiating crew! The Minnesota Sports Federation is lucky to have officials at each court so that the girls and coaches can just concentrate on the game.

Some 2012 dates are now posted on the Minnesota Sports Federation website at www.msfl.org under youth volleyball. We are looking forward to another great year and more opportunities for the girls! Thank you fans, coaches and players! Enjoy the Summer!
