

The Role the Minnesota Sports Federation Plays

The Minnesota Sports Federation (MSF) is a non-profit, non-tax supported public service organization which solely conducts recreational-amateur sports activities in the state of Minnesota. Members of the Federation receive many valuable services which enable them to enjoy recreational-amateur sports to their fullest extent.

The MSF mission is to provide wholesome community based amateur-recreational sports opportunities that promote fitness, personal growth, good sports and the development of lifetime leisure skills.

Since 1982, the Sports Federation has become a major organizational force in planning and executing amateur sports events for over 200,000 youth and adults in Minnesota.

To implement and conduct a program of this magnitude, the MSF relies on individuals who dedicate many hours of their time to the benefit of recreational sports enthusiasts throughout the state of Minnesota.

The MSF serves as the local association of the National Softball Federation, National Youth Basketball Council (NYBC) and USA Broomball.

The MSF is governed by an 15-member board which is comprised of players, coaches, program administrators and officials active in the sports community.

League, association, team and player membership in the Minnesota Sports Federation is voluntary and conditional upon members adhering to established rules and regulations and acting in the best interest of the NSF ♦ MSF program.
