

Fall 2015

TO: Softball Directors and Team Managers

FR: Sports Federation Board of Directors

RE: Reclassification of Softball Teams

By action of the Sports Federation Board of Directors and in accordance with the reclassification rules, the top finishers in 2015 state tournament competition have been moved up in an effort to achieve and maintain parity within classes and balance the number of teams in classes statewide.

This reclassification process occurs on an annual basis to maintain **integrity** in the state's classes of competition. Teams need to be constantly challenged to compete against opponents of equal or greater strength and league directors need to promote and reinforce the philosophy, "**winning isn't everything, but striving to win is**".

Slowpitch teams that have been moved up may not petition to move down for a **minimum of two years** and must have played in post-season play at least one year in their new class. **Exception:** Class A, B and C slowpitch teams and Class C fastpitch state runner-up may petition to move down after one year of post-season play in their new class.

Fastpitch teams that have been moved up must play in post-season tournament competition in their new class at least one year prior to being allowed to petition to move down.

Teams that win two or more games in a district or state tournament, may **NOT** petition to move down the following year.

The teams and communities which are affected for the 2016 season are listed below. If questions arise, please contact the Federation office.

Thank you for your cooperation!
