Spring 2012

### Dear Youth Baseball Enthusiast:

The Minnesota Sports Federation has offered youth baseball teams affordable services and quality events since 1989. Each year thousands of participants benefit from the MSF baseball program and learn valuable life skills including goal setting, teamwork, discipline and good sportsmanship.

One of the MSF's goals is to keep participation fees as low as possible so everyone can participate. Unlike some local amateur sports organizations, the MSF does not charge high and excessive entry or membership fees for players, coaches or teams. Why forward thousands of dollars to a national organization which benefits only a handful of elite teams?

We are coming off another successful year for the MSF youth baseball program in 2011. Several hundred teams took part in MSF Qualifiers held throughout the spring and summer. The season came to an exciting conclusion in the State Championships the last weekend of July where champions were crowned throughout the state of Minnesota. MSF Baseball's continued growth can be attributed to our quality facilities, certified umpires and the dedicated efforts of our tournament hosts.

The 2012 MSF State Championships are sure to be as successful as ever, with 200 qualified teams expected to participate in twelve divisions of play. The MSF is working hard to insure that youth baseball teams from across the state benefit from our services and enjoy quality events. The MSF State Championships are at some of the state's great facilities, including many of the favorites from previous years.

If any questions arise, please do not hesitate to call Steve at (952) 405-6936. We hope your team has fun this season!

Sincerely,

Steve Ketter  
Program Administrator

## ★ The Role the MSF Plays ★

The Minnesota Sports Federation (MSF) is a non-profit, non-tax supported organization which solely conducts recreational-amateur sports activities in the state of Minnesota. Members of the Federation receive many valuable services which enable them to enjoy recreational-amateur sports to their fullest extent.

The MSF mission is to provide wholesome amateur-recreational sports opportunities that promote fitness, personal growth, good sports and the development of lifetime leisure skills.

Since 1982, the Sports Federation has become a major organizational force in planning and executing amateur sports events for over 200,000 youth and adults in Minnesota.

To implement and conduct a program of this magnitude, the MSF relies on individuals who dedicate many hours of their time to the benefit of recreational sports enthusiasts throughout the state of Minnesota.

The MSF serves as the local association of the National Softball Federation and the National Youth Basketball Council (NYBC).

The MSF is governed by an 11-member board which is comprised of players, coaches, program administrators and officials active in the sports community.

League, association, team and player membership in the Minnesota Sports Federation is voluntary and conditional upon members adhering to established rules and regulations and acting in the best interest of the MSF program.

Through the union of all eligible leagues, organizations, groups and affiliations with organizations devoted wholly or partially to the promotion of recreational sports, the MSF hopes to expand programs and services in the future.

The MSF is committed to serving amateur sports enthusiasts in an effort to enhance the quality of life for all Minnesotans regardless of age, gender, race, economic status or handicap.

**VIOLATION** of innings pitched restrictions will result in the disqualification of the team for the remainder of the tournament. One pitch in an inning will count as an inning pitched. Teams must keep track of innings pitched during each game and verify with the opposing coach and umpire immediately following the game. Coaches are also responsible for verifying the number of innings pitched with the tournament director, who will keep a running total through out the tournament.

14. Trips to the Mound:  
Two trips to the mound are allowed PER PITCHER, PER GAME for 10, 11, 12 & 13-under age groups. On the second trip the pitcher must be removed from the pitcher position. High school rules will apply for the 14 & 15- U age groups.

High school rules will apply for 12, 13, 14 & 15-U age groups.

16. Balks:

A balk may not be called in the 10 & 11-U age groups unless the umpire judges the pitcher is being intentionally deceptive. A fake pitch will be considered a balk resulting in a dead ball with all runners advancing one base. High school rules will apply for 12, 13, 14 & 15-U age groups.

17. EJECTIONS:

Any player or coach ejected from a game will be suspended for the remainder of the tournament. These individuals may not be within 200 feet of the team bench through out the remainder of the tournament. If the suspended party negatively affects the tournament in any way, they will be removed from the facility and may not set foot on any MSF State Tournament facility for the remainder of the weekend. If the individual(s) refuses to leave promptly and orderly the police will be called. It is possible for the individual/team to face additional penalties regarding future MSF participation.

18. A game that is suspended due to inclement weather (or for any other reason) will be resumed from the exact point of suspension. If any portion of the tournament is deemed unplayable, the tournament director reserves the right to do whatever necessary to complete the tournament, including but not limited to the changing of the tournament format, shortening games, etc. The decision of the tournament director/MSF staff is final.

If inclement weather (or any other reason) does not allow the tournament to be played out in its entirety, tournament staff may determine a champion from the remaining championship bracket teams (and remaining consolation bracket teams) using the following criteria: 1) Overall winning percentage 2) Head-to-head (if two teams are tied) 3) Least average number of runs allowed per game 4) Average run differential (max plus or minus 10 runs per game 5) Coin Toss

19. In Pool Play games, if the score is tied at the end of regulation and the time limit has not expired, the game shall continue. Games may end in a tie in pool play. If time expires while a game is tied and in the middle of an inning, complete the inning in progress.

3. Fewest runs allowed in pool play
4. Run differential in pool play (maximum plus or minus 10 runs per game)
5. Coin Toss

**If a three-way tie exists, please follow examples below:**

**Example #1:** Team A = 6 runs allowed; Team B = 9 runs allowed; Team C = 13 runs allowed...  
Team A is #1 seed from pool, Team B is #2 seed, Team C is #3 seed

**Example #2:** Team A = 5 runs allowed; Team B = 8 runs allowed; Team C = 8 runs allowed...  
Team A is #1 seed in pool, #2 seed is determined by run differential in pool play

**Example #3:** Team A = 7 runs allowed; Team B = 7 runs allowed; Team C = 10 runs allowed...  
Team C is #3 seed in pool, #1 seed is determined by run differential in pool play
