**Modified pitch teams are permitted to add or substitute two players as follows:**

- Pick up players may be from teams anywhere in the state that have not been disqualified for eligibility or unsportsmanlike conduct violations.
- Added players may be from anywhere in the state as long as they are no longer eligible for championship play. Teams may pick up a maximum of one pitcher. Exception: Class C teams playing B MFP State may pickup two pitchers.
- Pickup players in Minnesota need not have played for an NSF ♦ MSF registered team during the current season, but must be approved by the NSF ♦ MSF state office.
- Pickup players may be selected only for teams which are no longer eligible for championship play.
- Pickup players may be from a fastpitch, slowpitch or modified pitch team in the same or lower classification. Players who are members of two teams in two different classifications must assume their highest class of play for pick up purposes. (e.g. if a player is participating on a class B team in one community and a class C team in another, they are considered a class B player for pick up purposes and consequently may only be picked up for a class B tournament or higher). **Exception:** Class C MFP teams playing in B State may pickup Class B players or below.
- No players may be picked up for National Qualifiers.
- In adult divisions of play, pickup player may be substituted for after they have participated.
- A player may play with only one team other than their own team within a division in championship play. **Exception:** C MFP teams playing in B MFP State.
- "Pick-up" players may be dropped and substituted for with other legal "pick-up" players.
- Pickup players must sign an official "pickup player" form which also must be signed by the team's manager, league director **and if a minor the player's parent or legal guardian** and attached to the team's official roster before tournament play begins. The pickup form is located in the current NSF ♦ MSF Softball Guide Book.
