Spring 20167

**Dear Youth Baseball Enthusiast:**

The Minnesota Sports Federation has offered youth baseball teams affordable services and quality events since 1989. Each year thousands of participants benefit from the MSF baseball program and learn valuable life skills including goal setting, teamwork, discipline and good sportsmanship.

One of the MSF's goals is to keep participation fees as low as possible so everyone can participate. Unlike some local amateur sports organizations, the MSF does not charge high and excessive entry or membership fees for players, coaches or teams. Why forward thousands of dollars to a national organization which benefits only a handful of elite teams?

We are coming off another successful year for the MSF youth baseball program in 2016. Several hundred teams took part in MSF Qualifiers held throughout the spring and summer. The season came to a rainy but exciting conclusion in the State Championships the last weekend of July, where champions were crowned throughout the state of Minnesota. MSF Baseball's continued growth can be attributed to our quality facilities, certified umpires and the dedicated efforts of our tournament hosts.

The 2017 MSF State Championships are sure to be as successful as ever, with over 200 qualified teams expected to participate in twelve divisions of play. The MSF is working hard to insure that youth baseball teams from across the state benefit from our services and enjoy quality events. The MSF State Championships are at some of the state's great facilities, including many of the favorites from previous years.

If any questions arise, please do not hesitate to contact Dan at dan@msf1.org or (651) 558-6562. We hope your team has fun this season!

## ★ The Role the MSF Plays ★

The Minnesota Sports Federation (MSF) is a non-profit, non-tax supported organization which solely conducts recreational-amateur sports activities in the state of Minnesota. Members of the Federation receive many valuable services which enable them to enjoy recreational-amateur sports to their fullest extent.

The MSF mission is to provide wholesome amateur-recreational sports opportunities that promote fitness, personal growth, good sports and the development of lifetime leisure skills.

Since 1982, the Sports Federation has become a major organizational force in planning and executing amateur sports events for over 200,000 youth and adults in Minnesota.

To implement and conduct a program of this magnitude, the MSF relies on individuals who dedicate many hours of their time to the benefit of recreational sports enthusiasts throughout the state of Minnesota.

The MSF serves as the local association of the National Softball Federation, USA Broomball, Minnesota Youth Basketball Association, Minnesota Girls Fastpitch Association and Minnesota Girls Volleyball Association.

The MSF is governed by an 17-member board which is comprised of players, coaches, program administrators and officials active in the sports community.

League, association, team and player membership in the Minnesota Sports Federation is voluntary and conditional upon members adhering to established rules and regulations and acting in the best interest of the MSF program.

Through the union of all eligible leagues, organizations, groups and affiliations with organizations devoted wholly or partially to the promotion of recreational sports, the MSF hopes to expand programs and services in the future.

The MSF is committed to serving amateur sports enthusiasts in an effort to enhance the quality of life for all Minnesotans regardless of age, gender, race, economic status or handicap.

## Ways to Qualify

Teams must qualify for the MSF Baseball State Championships by finishing 1st or 2nd at a MSF Qualifier Tournament (see [www.msfl.org](http://www.msfl.org) for a complete list of MSF Qualifiers). If the top two teams have previously qualified, or are not from Minnesota, berth(s) will be presented to the 3rd and then 4th place team. Berths will not be awarded to teams finishing lower than 4th place.

Teams advancing from a MSF Qualifier held in May and June must forward the official Entry Form and the proper entry fee (see entry fee section on next page) to the MSF offices by July 1 (an earlier response would be appreciated). Qualified teams which do not enter or notify the MSF within these constraints will forfeit their berth to the MSF State Championships.

A limited number of "At-Large" berths may be available depending on the number of unused qualifier berths returned to the MSF (see the enclosed *At-Large Application*). At-Large applicants will be accepted starting June 1st and no sooner please. No entries will be accepted without payment. If more entries than available positions are received on the same day, a drawing will be held from all the entries received on that day. Accepted at-large applicants will be notified no later than July 8th.

ENTRY FEE: **\$310** 10-13 under  
**\$330** 14-15 under

GATE FEE: \$150 made payable to host organization and paid at team check-in.

FORMAT: Pool Play / Single Elimination Championship Series (3 scheduled games guaranteed).

UMPIRES: **For 10 under - 13 under age divisions** - Pool play games and quarter-finals - one certified umpire shall be used. Semi-finals and finals (of championship bracket play only) shall use two certified umpires per game.

**For 14 under & 15 under age divisions** - Two certified umpires used for every game.

AWARDS: Medals will be given to players of the top four teams in divisions of eight or more teams. A State Championship plaque will also be awarded to the top two teams in divisions of eight or more.

REFUNDS: Once the schedules are done, there is no refund for dropping from tournament.

# Eligibility

## PLAYERS

Players must reside or attend school in Minnesota. EXCEPTION: Minnesota border communities (i.e. Winona, Moorhead, etc.) are limited to no more than five players who reside or attend school in a neighboring state's border community. These players must be original members of the team, not added to the roster for the tournament.

Players must participate on the team nearest to where they reside or attend school. EXCEPTION: Any player who tried out and was cut from the team nearest to the residence or school will be allowed to participate with the team next nearest to residence or school.

In order to participate in a MSF State Tournament, you will have had to compete in a minimum of four regularly scheduled league or tournament games with the team whose roster you are on. Lack of four games played due to injury or illness is not an exception.

Players may not be on two rosters for qualifier or state tournament play. If a team wins and accepts a state berth at a qualifier, the players are frozen to their roster and may not be picked up by another team playing for a state tournament berth. If the qualified team declines the state berth, that team's players may be picked up by another team playing state, provided the players are legal pickups.

## TEAMS

Intact teams only. No ALL-STAR Teams allowed. In order to participate in a MSF championship event, you must compete with the roster submitted for qualifier play and competed as a team for a minimum of four league games or tournament games with the team they are going to participate with in the MSF Championship. Teams are also allowed to pickup three players from their local association as long as they are of the same age or younger and play at the same or lesser class. Class AA teams may not pick up players from Class AAA of any age.

# Classes of Competition

## CLASS AAA

*For skilled and competitive teams which compete in an "AAA" league or at "AAA" tournaments. Top teams from outstate communities should consider playing "AAA".*

## CLASS AA

*This classification is for teams which are less competitive than "AAA" teams, compete in a "AA" League or "AA" tournaments. This classification is intended for second or third teams from a community (second teams could possibly still be Class AAA). Class AA is also for teams from smaller communities which cannot compete at the "AAA" level. **If a "AA" team finishes first or second at the MSF Class AA State Championship and returns 5 or more players, they shall be reclassified as "AAA" the following year if their association does not have an existing "AAA" team within their same age group.** The MSF reserves the right to reclassify teams at any time.*

# MSF "At-Large" Application

To be considered for an At-Large Berth, this application must be completed and returned to the MSF offices. A limited number "At-Large" Berths may be available depending on the number of unused qualifier berths returned to the MSF. At-Large applications will be accepted starting June 1st and no later than July 1st. Entries received prior to the 1st will be returned and must be submitted June 1st or after. No entries will be accepted without payment. If more entries than available positions are received on the same day, a drawing will be held from all entries received on that day. **Please include the proper entry fee (payable to MSF) with this application by check or credit card (entry fee will not be cashed/processed until team is accepted and will be returned/not processed if applicants are not selected).** Teams who submit at-large applications are expected to play. If selected, teams will be placed in the tournament and notified of their schedule. Teams will not be given the option to decline the berth. ## MSF Playing Rules

National Federation of High School rules shall govern play, except where modified in this booklet. These rules will be used at the MSF State Tournaments and should also be used in qualifying tournaments.

- The official schedule is the bracket board posted at tournament headquarters. It is the teams responsibility to be aware of any changes and to be in the right place at the right time.
- Responsible adults must supervise teams at all times, on and off the field.
- Home team shall be determined by a coin toss before every game.
- A 10-minute grace period will be allowed for a team's first game before a forfeit is declared. Game time is forfeit time for all remaining games. A team that is a NO SHOW for their first game has one hour to contact the tournament director regarding the status of their remaining pool play games. If no contact is made within one hour, that team's games will be declared forfeits.
- A 10 run rule is in effect throughout the entire tournament. Games will end at the conclusion of 4 1/2 innings (home team) or 5 innings (visiting team) if the score differential is 10 runs or greater for all age groups.

6. Pitching/Base Distances:

AGE	PITCHING DISTANCE	BASE PATHS
10	45-46 feet	60 feet
11	45-46 feet	65 feet
12	52-54 feet	70-75 feet (75 feet at State Tournament)
13	52-54 feet	75-80 feet
14 & Up	60.5 feet	90 feet

7. Base Running Rules:

10 – U: Stealing is permitted however a runner may not leave the base until the ball crosses home plate. If the runner leaves early a dead ball is declared and the runner in violation is out.

Dropped 3rd strike – Batter is out, runners may advance at their own risk, and ball is live.

11 – U: Stealing is permitted; however a runner may not leave the base until the ball leaves the pitchers hand. If the runner leaves early a dead ball is declared and the runner in violation is declared out.

Dropped 3rd strike – batter is out, runner(s) may advance at their own risk – ball is live.

12 – 15 U: High school rules apply to leading off, stealing, dropped 3rd strike, etc.

8. Pool Play Game Length / Time Limits:

10 – 12 – U 6 innings/1 hour 45 minute time limit. No new inning shall begin after 1 hour and 45 minutes. (4 innings minimum)

13 – 15 – U: 7 innings/2 hour time limit. No new inning shall begin after 2 hours. (5 innings minimum)

\*There is no time limit in bracket play.

\*\*In Pool Play games, if the score is tied at the end of regulation and the time limit has not expired, the game shall continue. Games may end in a tie in pool play once the time limit is reached. When the time limit is reached after an inning has started, the game will end immediately if the home team is ahead or scores the go ahead run in the bottom half of the inning or when the inning is completed.

- 10,11,12,13-U must use free substitution and must bat entire bench. Coaches are expected to follow the spirit of the rule here by batting the entire bench in all games during tournament play. 10. 10-13U – A courtesy runner will be allowed for the current catcher or pitcher anytime. This means the catcher/pitcher must be the catcher/pitcher of record before and after the at bat. The courtesy runner will be the last player that made an out. The player that is run for must catch/pitch the next inning.  
14-15U – A courtesy runner will be allowed for the current catcher/pitcher anytime. Players who have participated in the game in any other capacity are ineligible to serve as courtesy runners until all players have participated. If all players have participated, then the courtesy runner will be the last player that made an out. The player that is run for must catch/pitch the next inning.
11. Teams must start the game with 9 players. If due to injury or illness, a team may finish a game with 8 players. A team reduced to less than 9 players due to an ejection shall be disqualified.
12. (Ages 10-13): If a player arrives late to a game or leaves early, in an entire roster batting order you close the batting order up (eliminate the batting spot if player leaves) or for the player coming late you open up the batting order (add the batting spot at the bottom of the order). If a player is injured you close the batting order up (eliminate his batting spot and the player may not return that game). It is not an out when his spot comes up to bat. If a player is ejected in a 10-13 year old game then that batting spot is an out each time it comes up.
13. If a team is disqualified from the tournament, it only affects the results of their last game (and only if a legal protest had been filed by their opponent prior to completion of that game).
14. Only players listed on the MSF Sate Tournament roster may occupy the team bench. One batboy and one scorekeeper may occupy the bench in addition to team coaches. The tournament director reserves the right to limit the number of coaches per team.

Teams must keep track of innings pitched during each game and verify with the opposing coach and umpire immediately following the game. Coaches are also responsible for verifying the number of innings pitched with the tournament director, who will keep a running total through out the tournament.

18. **EJECTIONS:**  
Any player or coach ejected from a game will be suspended for the remainder of the tournament. These individuals may not be within 200 feet of the team bench through out the remainder of the tournament. If the suspended party negatively affects the tournament in any way, they will be removed from the facility and may not set foot on any MSF State Tournament facility for the remainder of the weekend. If the individual(s) refuses to leave promptly and orderly the police will be called. It is possible for the individual/team to face additional penalties regarding future MSF participation.
19. A game that is suspended due to inclement weather (or for any other reason) will be resumed from the exact point of suspension. If any portion of the tournament is deemed unplayable, the tournament director reserves the right to do whatever necessary to complete the tournament, including but not limited to the changing of the tournament format, shortening games, etc. The decision of the tournament director/MSF staff is final.  
  
If inclement weather (or any other reason) does not allow the tournament to be played out in its entirety, tournament staff may determine a champion from the remaining championship bracket teams (and remaining consolation bracket teams) using the following criteria: 1) Overall winning percentage 2) Head-to-head (if two teams are tied) 3) Least average number of runs allowed per game 4) Average run differential (max plus or minus 10 runs per game 5) Coin Toss
20. In Pool Play games, if the score is tied at the end of regulation and the time limit has not expired, the game shall continue. Games may end in a tie in pool play. If time expires while a game is tied and in the middle of an inning, complete the inning in progress.
21. **POOL PLAY STANDINGS** are determined by:
1. Won - Loss records
  2. Head-to-head
  3. Fewest runs allowed in pool play
  4. Run differential in pool play (maximum plus or minus 10 runs per game)
  5. Coin Toss

**If a three-way tie exists, please follow examples below:**

**Example #1:** Team A = 6 runs allowed; Team B = 9 runs allowed; Team C = 13 runs allowed...  
Team A is #1 seed from pool, Team B is #2 seed, Team C is #3 seed

**Example #2:** Team A = 5 runs allowed; Team B = 8 runs allowed; Team C = 8 runs allowed...  
Team A is #1 seed in pool, #2 seed is determined by run differential in pool play

**Example #3:** Team A = 7 runs allowed; Team B = 7 runs allowed; Team C = 10 runs allowed...  
Team C is #3 seed in pool, #1 seed is determined by run differential in pool play

# Concussion Management Guidelines

A concussion is an injury to the brain and any injury to the brain is serious. It is caused by a blow to the head or a blow to the body resulting in an injured brain. Even a seemingly minor blow or jolt can cause a brain injury.

Umpires and coaches should print and keep their certificate of completion in their possession.

# Lightning Protocol

Tournament directors and umpires should familiarize themselves with information on dealing with adverse weather from the local office of the National Weather Services.

A few recommendations are listed below:

- 1) If you can hear the thunder from a thunderstorm you could be in danger of being struck by lightning (lightning can travel as far as 10 miles from the parent cloud).
- 2) Always go indoors during a thunderstorm if possible. If not possible, avoid things that might attract lightning such as metal, tall trees, fences or power lines. If you are caught in the open, with no shelter available, crouch down with your hands on your knees.
- 3) Employ the 30 minute rule. Once play has been suspended due to the presence of lightning, thunder or high winds, wait 30 minutes until the last clap of thunder is heard or a flash of lightning is seen.
