BULLETIN TO TEAM MANAGERS BROOMBALL STATE TOURNAMENT PLAY

VERY IMPORTANT--PLEASE READ

TEAM ELIGIBILITY & I.D.

All players participating in post season tournament play must have their current Minnesota or bordering state driver's license picture I.D., company picture I.D., college picture I.D., Minnesota drivers permit or license revocation/application slip in their possession (at the team bench) for each game they play in. If a rostered player is under 16 years of age and does not have a driver's license, they must bring either a student picture I.D. or birth certificate. **No other form of I.D. will be accepted.** If a player has had a name change (i.e. marriage) they must also bring a copy of their marriage license. If a driver's license has been revoked, the player must have the state revocation/application slip. Players without the required I.D. **immediately** available will be withheld from competition until they secure it and present it to the tournament manager.

Players not possessing proper identification at MSF post season tournaments must post a \$100.00 cash identification bond, pose for a picture and sign a statement of identification in order for their team to continue to play. The individual player is ineligible to continue until they provide required proof of identification. Upon proof of their identification, either at the tournament site or at MSF offices, the \$100.00 bond will be returned. Failure to pay the cash bond, pose for a picture and sign the I.D. statement will disqualify the player **and** the team from the game, tournament and advancement to further competition.

Please contact MSF offices at least three days prior to the tournament if you have a potential problem with required I.D.'s.

MASTERS DIVISION

Players participating in the masters division must be 35 & over as of December 31st of the current year. Teams can be composed of players anywhere in the state as long as these players reside or work within the state boundaries.

Players participating in the **masters** division must verify their age by showing one of the following documents during **random eligibility checks** at the masters state tournament:

RE: State Tournament Points of Emphasis

A few points of emphasis for the upcoming state championships:

1. Game Balls are supplied by the teams. Each team shall supply two properly inflated broomballs in good playing condition for each contest they play in. Teams must show their official game balls to the MSF tournament manager upon check-in or purchase them at the time of check-in. Canadian (orange) Acacia or D-Gel molded ball will be used in all divisions, unless two teams mutually agree to use Minnesota Baden **molded** alternative. At no time should two different ball types be used in the same contest. **The De-Gel, Acacia and Baden molded balls will be available for purchase at the tournament site.**
2. Arena personnel have asked us to remind teams not to wear their broomball shoes into the arena from outside. This creates a dirt problem on the ice.

Also, teams are asked to **"keep the shots down" during pre game warmups.** If not, your team may be asked to pay for damages to the arena lighting system/ceiling. **Also, hand sewn paneled balls should not be on the ice, even for warmups as these balls are more likely to leave the ice.**
3. Commercially produced hockey helmets are required in all play.
4. **All teams must supply and wear jerseys which have at least a 6" high legible non duplicate arabic number, on either the front or back of the jersey and in which the shirt bodies are of identical color. Tape numbers are not acceptable.**
5. Team managers must check in at the tournament registration table 30 minutes prior to each game they play to **thoroughly** complete an official game scorecard.
6. **Please have your players present and ready to play at least 15 minutes prior to your scheduled game time.**
7. **No checking is allowed in any division or class of play!**
8. By recent action of the MSF Board of Directors, any player receiving a combined total of two or more, and teams receiving a combined total of three or more **unsportsmanlike** major or misconduct penalties in an MSF tournament contest shall be disqualified from the game and tournament.
9. In past years unfortunate eligibility violations necessitated that teams be stripped of state championships. We do not want any repeat performances of this kind this year. **REMEMBER! PICK-UP PLAYERS ARE NOT ALLOWED AND PLAYERS MAY ONLY PLAY IN ONE MSF STATE TOURNAMENT PLUS THE CO-REC AND MASTERS DIVISION.**
10. **Based on participant feedback** and the late finishing hour of state broomball tournaments on Sunday evening, third place games will not be played. The loser of each semi-final game will be awarded a third place plaque. Participants have indicated this is preferable to an anti-climatic third place game, often played by tired, less than enthusiastic players. This will also permit the championship game to be played earlier so players and fans can return home at a reasonable hour.
11. A reminder that all league directors must forward with tournament teams the **white** copy of the three-part roster forms previously sent to you for your winter sports teams. **(Do not forget to circle the "team number assigned" on the roster sheet that corresponds to the number on the tourney draw the team is advancing as.)**

The white copy must identically match (with the exception of players who have been dropped) the pink regular season copies previously submitted to Sports Federation offices. **No added or "pick-up" players are allowed, and any discrepancies between the white and pink copies will cause the team to be immediately disqualified from competition.** EXCEPTION: **men's elite, Co-rec and men's masters** team rosters need not match regular season roster.

Teams without a properly completed "white" roster will not be allowed to participate!

To avoid misfortune which may disqualify your team from competition, please completely review the enclosed information.

Thank You And Good Luck!

MINNESOTA SPORTS FEDERATION TOURNAMENT ROSTER INSTRUCTIONS FALL - WINTER

PLEASE READ CAREFULLY

League directors shall forward state tournament roster (white copy) with the advancing team to post-season tournament play (team shall hand carry). **Important Note:** White copy must match identically the regular season roster (pink copy) which was previously submitted with the exception of:

- a. those players who are not eligible for post-season tournament play by virtue of their participation with another team (see MSF play-off rules) **SHALL HAVE A SINGLE LINE DRAWN THROUGH THEIR NAME BY THE LEAGUE DIRECTOR/TEAM MANAGER AND THE SPACE INITIALED BY THE LEAGUE DIRECTOR.**

All players' names must appear on the tournament roster and be accompanied by their signature. Rosters which are incomplete or not legible will be rejected and the team eliminated from competition.

League directors are responsible for reviewing the roster, crossing out the extra blank spaces and signing the post-season roster (white copy). League directors are also responsible for designating and circling the **"team number assigned"** on the **white** state tournament roster at the time the team advances to state tournament play. This number identifies the team number the team is advancing as from your community and corresponds to the number located on the tournament draw.

Rosters must be verified and signed by the team manager and league director who registered the team and league and submitted regular season rosters.

In order for the team manager to be eligible as a player, their name must also be listed and signed in the players section.

Do not mail the tournament roster. Teams without "official tournament rosters" will not be permitted to participate.

In addition to presenting one of the forms of picture I.D. listed below **players claiming eligibility through employment in Minnesota** shall be prepared to exhibit **one** of the following items:

Teams unable to prove eligible residence or employment address of each of their participating players upon the request of an MSF representative will be disqualified from tournament competition.

Players participating in the 30 & 35 and over division must verify their age by showing one of the following documents **during random eligibility checks** at MSF post-season tournaments:

- | | |
|----------------------------------|-------------------------------|
| 1. Birth Certificate | 4. Military Separation Papers |
| 2. Hospital Certificate of Birth | 5. Minnesota Drivers License |
| 3. Baptismal Certificate | |

Age verification documents must be in possession of the team at all times for random eligibility checks. Submit copies as there is no guarantee of return.

Any team without a properly completed team roster (includes team manager and league director's signatures) or found to have an ineligible player(s) (i.e. a player who has illegally participated in two post-season tournaments in the same division of play, etc.) shall be immediately disqualified from competition.

All players participating in post-season tournament play must have their current Minnesota or bordering state driver's license picture I.D., military picture I.D., company picture I.D., college picture I.D., Minnesota drivers permit or license revocation slip in their possession (at the team bench) for each game they play in. If a rostered player is under 16 years of age and does not have a driver's license, they must bring either a student picture I.D. or birth certificate. **No other form of I.D. will be accepted.** If a player's last name is different on their license versus the roster due to a name change (i.e. marriage) they must also bring a copy of their marriage license. If a driver's license has been revoked, the player must have the state revocation/application slip. Teams will be checked at random during state tournament play. Teams found with player(s) not in possession of the required I.D. will be required to deposit a \$200.00 identification bond in order for the team to continue tournament play (teams with illegal players should immediately drop out of the tournament to mitigate harsher penalties). Teams who do not pay the \$200.00 deposit will not be allowed to continue in the tournament. In addition, **each** player(s) without required I.D. who testifies they are legal and the player listed on the scorecard/roster, may continue tournament participation by submitting a \$25.00 **non-refundable cash** (no checks) participation fee (this non-refundable **cash** fee will be divided equally between the state Junior Olympic program and Softball Hall of Fame). Players without the proper identification who do not pay the \$25.00 non-refundable fee will not be allowed to participate. In addition, the unidentified player(s) must pose for a photograph and sign a statement of identification in order for their team to continue play. Upon proof of each player(s) identification and legality, either at the site or at MSF offices, the \$200.00 bond will be returned. Failure to pay the \$200.00 cash bond, pose for a picture and sign the I.D. statement will disqualify the player and team from the game, tournament and advancement to further competition. Failure to exhibit proof of identification by the Wednesday after the tournament will cause the team to forfeit the \$200.00 bond.
