Martin County recently declared itself BACON CAPITAL USA because of it's strong pork production base & to have some fun with bacon & bacon lovers! So, we are going to have a BACON themed baseball tournament! More details coming later.

Individual medals/trophies will be awarded to the 1st, 2nd, and 3rd place teams and team trophies for 1st and 2nd.

All games will be played on two fields in Northrop, which is located approximately 4 miles north of Fairmont. Check out the visitor's bureau at www.fairmontcvb.com for lodging information. We are known for having a fabulous concession stand with a variety of selections, please support our concession stand when possible. We will have a concession stand at both fields. Please no alcohol, no coolers, no smoking. Northrop is quite small (no gas station or restaurant) but we will have all that you need to survive at our concession stand! Join us in Southern MN for some *SMALL TOWN BASEBALL....BIG TIME FUN!*

Game schedules will be sent to respective team representatives when the tournament field is set, and at least one week prior to the tournament. NO refunds will be made after confirmation of entry has been sent, unless we receive another paid registration to fill your spot.
