All games will be played at Becker High School (12000 Hancock St, Becker, MN 55308)

General Information

- The top two teams in each pool advance to the Class A championship series. Pool Third and 4th place teams advance to Class B championship series. The fifth place team does not advance.
- Five team pools play two game sets with each game to 25 with 27 point cap.
- Championship series in each division will be played on best 2 of 3 basis with 27 point cap; the third game (if necessary) will be played to 15 points with 17 point cap.
- If a forfeit occurs in pool play, the forfeiting team is disqualified and may not advance. All game results of the forfeiting team and their opponent(s) will be canceled.
- If questions arise after reviewing the point system and the tie breaking/seeding procedures posted at the tournament site, please confer with the **Sports Federation Representative** at the tournament site for an explanation. **Do not wait until the last minute to resolve your questions.**
- Team managers must point out any discrepancies in pool play results/seeding within 10 minutes after posting. After that time pool/seeding results become final unless a mistake can be corrected by MSF tournament management without substantial hardship or delay of the tournament. (Games will not be replayed). The above means teams should not consider posted results final until ten minutes after posting.

Awards

- First and second place team plaques awarded in Class A, B and C along with individual plaques for the champion.
- Third place plaques are only awarded in classes with four rounds of bracket play or more.
- All class winners will receive a state championship banner.
