RE: MSF Baseball Tournament Information

Congratulations on qualifying for the 2019 MSF State Baseball Championships. I have received your entry and you will be scheduled into the tournament.

For seeding purposes, coaches are asked to go to the MSF website, www.msf1.org, where entered teams will be listed starting Friday, July 5th and seed all of the teams in their age/class. Simply rank the teams in number order according to how you think they should be seeded. **This needs to be done by 5:00 p.m. on Wednesday, July 10th.** Please email your seeds to dan@msf1.org.

To assist in the seeding process, please email me (dan@msf1.org) your current record by Thursday, July 4. TEAMS WHO DO NOT SUBMIT A RECORD MAY BE PUT INTO A POOL WITH HIGHER SEEDS, AND/OR MOVED UP A CLASS.

The state tournament schedule will be posted on the MSF website no later than July 19th. Teams should be prepared to play a Friday game unless notified otherwise.

A reminder that all teams are to pay a gate fee for the weekend of \$150 at tournament check-in. Gate fee checks for the 11AAA State Tournament can be written out to Sartell Baseball.

If any questions should arise, please contact me at dan@msf1.org or 651-451-3140.

Thanks and good luck!

MSF Playing Rules

National Federation of High School rules shall govern play, except where modified in this booklet. These rules will be used at the MSF State Tournaments and should also be used in qualifying tournaments.

1. The official schedule is the bracket board posted at tournament headquarters. It is the teams responsibility to be aware of any changes and to be in the right place at the right time.
2. Responsible adults must supervise teams at all times, on and off the field.
3. Home team shall be determined by a coin toss before every game.
4. A 10-minute grace period will be allowed for a team's first game before a forfeit is declared. Game time is forfeit time for all remaining games, but the MSF Site Manager must be summoned to declare it. A team that is a NO SHOW for their first game has one hour to contact the tournament director regarding the status of their remaining pool play games. If no contact is made within one hour, that team's games will be declared forfeits.
5. A 10 run rule is in effect throughout the entire tournament. Games will end at the conclusion of 4 1/2 innings (home team) or 5 innings (visiting team) if the score differential is 10 runs or greater for all age groups.
6. Pitching/Base Distances:

AGE	PITCHING DISTANCE	BASE PATHS
10	45-46 feet	60 feet
11	45-46 feet	65 feet
12	52-54 feet	70-75 feet (75 feet at State Tournament)
13	52-54 feet	75-80 feet
14 & Up	60.5 feet	90 feet

7. Base Running Rules:

10 – U: Stealing is permitted however a runner may not leave the base until the ball crosses home plate. If the runner leaves early a dead ball is declared and the runner in violation is out.

Dropped 3rd strike – Batter is out, runners may advance at their own risk, and ball is live.

11 – U: Stealing is permitted; however a runner may not leave the base until the ball leaves the pitchers hand. If the runner leaves early a dead ball is declared and the runner in violation is declared out.

Dropped 3rd strike – batter is out, runner(s) may advance at their own risk – ball is live.

12 – 15 U: High school rules apply to leading off, stealing, dropped 3rd strike, etc.

8. Game Length / Time Limits:

POOL PLAY: 10–12— U: 5 innings/1 hour 30 minute time limit. No new inning shall begin after 1 hour and 30 minutes. (4 innings minimum)

POOL PLAY: 13–15 – U: 6 innings/1 hour 45 minute time limit. No new inning shall begin after 1 hour and 45 minutes. (5 innings minimum)

BRACKET PLAY: 10-12—U: 6 innings/1 hour 45 minute time limit. No new inning shall begin after 1 hour and 45 minutes unless the score is tied. (5 innings minimum)

BRACKET PLAY: 13-15—U: 7 innings/2 hour time limit. No new inning shall begin after 2 hours unless the score is tied. (6 innings minimum)

****In Pool Play games, if the score is tied at the end of regulation and the time limit has not expired, the game shall continue. Games may end in a tie in pool play once the time limit is reached. When the time limit is reached after an inning has started, the game will end immediately if the home team is ahead or scores the go ahead run in the bottom half of the inning or when the inning is completed.**

9. 10,11,12,13-U must use free substitution and must bat entire bench. Coaches are expected to follow the spirit of the rule here by batting the entire bench in all games during tournament play. If a player who is present is prevented from sitting on the bench to avoid the spirit of the rule, the head coach shall be prohibited from coaching any remaining games in the tournament and the game in question shall be forfeited. Note: High school rules regarding designated hitter and re-entry for 14 & 15-U. **MSF Exception:** Replacement of injured players and/or courtesy runners. If an active player sustains an injury that requires them to leave the game and their team has used all available substitutes, the coach may substitute for the injured player with the first player on the bench who had previously lost their eligibility via the re-entry rule.

10. 10-13U – A courtesy runner will be allowed for the current catcher or pitcher anytime. This means the catcher/pitcher must be the catcher/pitcher of record before and after the at bat. The courtesy runner will be the last player that made an out. The player that is run for must catch/pitch the next inning.
14-15U – A courtesy runner will be allowed for the current catcher/pitcher anytime. Players who have participated in the game in any other capacity are ineligible to serve as courtesy runners until all players have participated. If all players have participated, then the courtesy runner will be the last player that made an out. The player that is run for must catch/pitch the next inning.
11. Teams must start the game with 9 players. If due to injury or illness, a team may finish a game with 8 players. A team reduced to less than 9 players due to an ejection shall be disqualified.
12. (Ages 10-13): If a player arrives late to a game or leaves early, in an entire roster batting order you close the batting order up (eliminate the batting spot if player leaves) or for the player coming late you open up the batting order (add the batting spot at the bottom of the order). If a player is injured you close the batting order up (eliminate his batting spot and the player may not return that game). It is not an out when his spot comes up to bat. If a player is ejected in a 10-13 year old game then that batting spot is an out each time it comes up.
13. If a team is disqualified from the tournament, it only affects the results of their last game (and only if a legal protest had been filed by their opponent prior to completion of that game).
14. Only players listed on the MSF State Tournament roster may occupy the team bench. One batboy and one scorekeeper may occupy the bench in addition to team coaches. The tournament director reserves the right to limit the number of coaches per team.
15. Based on feedback received following the 2018 season, the MSF will be moving from Innings Pitched to a Per Day and Per Tournament Pitch Count limit, effective January 2, 2019. We believe the decision to move to a pitch count (though more bookkeeping will be necessary) will protect younger arms, while also requiring teams to develop pitching skills for all players. At the State Tournament, both teams are required to have a volunteer to keep track of pitches during games. Pitch counters are to keep track of pitches for both teams, and should check in with each other every half-inning and after every pitching change to avoid discrepancies, and must also report pitches thrown to the umpire. If there is a discrepancy, it must be resolved before play resumes. The per day and per tournament pitch count limits are listed below.

10U: 75 pitches per day, 140 pitches per tournament
11U: 85 pitches per day, 150 pitches per tournament
12U: 85 pitches per day, 150 pitches per tournament
13U: 95 pitches per day, 160 pitches per tournament
14U: 95 pitches per day, 160 pitches per tournament
15U: 95 pitches per day, 160 pitches per tournament

NOTE: If a player reaches his per day or per tournament limit during an at bat, he shall be allowed to finish that at bat but must then be removed from the game. Pitches which are batted foul, even those thrown with two strikes, shall be counted as pitches thrown.

For One-Day Tournaments, the appropriate “per day” pitch limit shall be in effect.

VIOLATION of pitches thrown restrictions will result in the disqualification of the team for the remainder of the tournament. Teams must keep track of pitches thrown by each pitcher during each game and verify with the opposing coach and umpire at the previously specified times and again immediately following the game. Coaches are also responsible for verifying the number of pitches thrown with the tournament director, who will keep a running total throughout the tournament.

16. Defensive Conferences/Trips to the Mound:
Teams are limited to three (+1 in extra innings) defensive conferences/trips to the mound are allowed PER GAME in all age groups (can all be used on the same pitcher). On 4th and subsequent trips to the mound, the pitcher must be removed from the pitcher position.
17. For 10, 11, and -12U, the following pitches are legal: fastballs, change-ups, palm balls and knuckle balls. All other pitches, including but not limited to: curve balls, knuckle curves, sliders, etc., shall be considered illegal.
1st offense - warning;
2nd offense - pitcher and head coach are disqualified for the remainder of that game.
High school rules shall apply for 13U, 14U, and 15U age groups.

18. **WARM-UP PITCHES:**
Pitchers shall be allowed no more than 6 warmup pitches during their first appearance as a pitcher, and are limited to 4 warmup pitches every inning thereafter. A pitcher who re-enters the game is limited to 4 warmup pitches upon re-entry.
19. **AROUND THE HORN**
After an out is recorded, the ball must be immediately returned to the pitcher, and not thrown "around the horn" while waiting for the next batter to enter the batter's box.
20. **BALKS:**
A balk may not be called in the 10 & 11U age groups unless the umpire judges the pitcher is being intentionally deceptive. A fake pitch will be considered a balk resulting in a dead ball with all runners advancing one base. High school rules will apply for the 12U, 13U, 14U, and 15U age groups.
21. **EJECTIONS:**
Any player of coach ejected from a game for unsporting conduct will be suspended for the remainder of the tournament. These individuals may not be within 200 feet of the team bench throughout the remainder of the tournament. If the suspended party negatively affects the tournament in any way, they will be removed from the facility and may not set foot on any MSF State Tournament facility for the remainder of the weekend. If the individual(s) refuses to leave promptly and orderly, the police will be called. It is possible for the individual/team to face additional penalties regarding future MSF Tournament Participation.
22. A game that is suspended due to inclement weather (or for any other reason) will be resumed from the exact point of suspension. If any portion of the tournament is deemed unpayable, the tournament director reserves the right to do whatever is necessary to complete the tournament, including but not limited to changing the tournament format, shortening games, etc. The decision of the tournament director/MSF Staff is final.
- If inclement weather (or any other reason) does not allow the tournament to be played out in its entirety, tournament staff may determine a champion from the remaining championship bracket teams (and remaining championship bracket teams) using the following criteria:
- 1.) Overall Winning Percentage
 - 2.) Head-to-head (if two teams are tied)
 - 3.) Least number of runs allowed per game
 - 4.) Average run differential (max +/- of 10 per game)
 - 5.) Coin Toss.
23. In pool play games, if the score is tied at the end of regulation and the time limit has not expired, the game shall continue. Games may end in a tie in pool play. If time expires while a game is tied and in the middle of an inning, complete the inning in progress.
24. **POOL PLAY STANDINGS** are determined by:
1. Win/Loss Records
 2. Head-to-Head
 3. Fewest runs allowed in pool play
 4. Run differential in pool play (maximum +/- of 10 runs per game)
 5. Coin Toss

If a three-way tie exists, please follow examples below:

EXAMPLE #1: Team A = 6 runs allowed; Team B = 9 runs allowed; Team C = 13 runs allowed...
Team A is #1 seed from pool. Team B is #2 seed, Team C is #3 seed

EXAMPLE #2: Team A = 5 runs allowed; Team B = 8 runs allowed, Team C = 8 runs allowed...
Team A = #1 seed in pool, #2 seed is determined by run differential in pool play.

EXAMPLE #3: Team A = 7 runs allowed, Team B = 7 runs allowed, Team C = 10 runs allowed...
Team C is #3 seed in pool, #1 seed is determined by run differential in pool play.

Concussion Management Guidelines

A concussion is an injury to the brain and any injury to the brain is serious. It is caused by a blow to the head or a blow to the body resulting in an injured brain. Even a seemingly minor blow or jolt can cause a brain injury.

All umpires and youth coaches in Minnesota who officiate or coach games in which 18-under players participate, must have undergone concussion training within the past three years at the website provided below. Umpires and coaches should print and keep their certificate of completion in their possession.

Common Concussion Symptoms

Headaches
Balance Off
Sensitive to Light
Numbness and Tingling
Difficulty Concentrating
Nervousness

Nausea
Dizziness
Sensitive to Sound
Visual Problems
Difficulty Remembering
Drowsiness

Vomiting
Fatigue
Ear Ringing
Mentally Foggy
Confusion
Slurred Speech

Return to Participation

Athletics should not return to play until:

Evaluation and clearance by Health Care Professional

Athletes must be symptom free at rest and during progressively demanding exercises.

Athletes must remain symptom free upon returning to practice/play.

Detailed Concussion Training is available at www.cdc.gov/headsup/youthsports/training/.

Additional resources available at www.mnata.com/resources/concussion-management/ or www.braininjurymn.org.

Lightning Protocol

Tournament directors and umpires should familiarize themselves with information on dealing with adverse weather from the local office of the National Weather Services.

A few recommendations are listed below:

- 1) If you can hear the thunder from a thunderstorm you could be in danger of being struck by lightning (lightning can travel as far as 10 miles from the parent cloud).
- 2) Always go indoors during a thunderstorm if possible. If not possible, avoid things that might attract lightning such as metal, tall trees, fences or power lines. If you are caught in the open, with no shelter available, crouch down with your hands on your knees.
- 3) Employ the 30 minute rule. Once play has been suspended due to the presence of lightning, thunder or high winds, wait 30 minutes until the last clap of thunder is heard or a flash of lightning is seen.
