MGVA ♦ MSF Volleyball Celebrates 30th Anniversary with Record Year

The Minnesota Girls Volleyball Association celebrated its 30th Anniversary State Tournaments in the 2017-2018 season, and by number of entrants at each site became the largest of the MSF Youth Programs!

Tournament play began in Austin, MN on March 17-18 (Quad State). Thank you to the excellent staff in Austin for your efforts to start a smooth tournament season.

Becker continued the success of tournament season. Teams from across the state packed the fieldhouse on March 24-25.

The third state tournament was held in Fairmont on April 7-8. The tournament crowned eight champions over two days of action packed volleyball.

Detroit Lakes hosted the fourth state tournament on April 14-15. Those who braved the late winter snow were treated to a top-notch tournament experience.

The Hutchinson State tournament was hosted by the Hutchinson Recreation Center on April 21-22.. Thank you to the staff at the Recreation Center for their hard work in putting on a first class MSF event.

The May 6-7 tournament was held at a capacity-filled Monticello High School. The tournament put the exclamation point on another great Minnesota Girls Volleyball Association season.

A big thank you to our tourney site managers: Riley Donovan, Austin; Jo Brecht in Becker and Monticello, Joel Anderson in Fairmont, Tyia Patnaude/ Lynnsey Wimmer in Detroit Lakes, and John McRaith/ Raquel Bushman in Hutchinson.

**Thank you to all officials and hosts for providing your services throughout the season!
And a special thank you to Tony Perez, Supervisor of Officials.**
