

**CORPORATE PARTNERS**

Dear Team Manager:

Congratulations on qualifying for the **NSF TOURNAMENT OF CHAMPIONS/NORTH AMERICAN CHAMPIONSHIPS** to be held in the city of **CAMBRIDGE, MN** on **AUGUST 21-23**. Enclosed please find the field map, hotel information, tournament rules and other pertinent information. The tournament draw will be posted at <https://msf1.org/?p=16482>. Please carefully review this information to avoid any misfortune which may disqualify your team from competition.

Leagues or teams receiving telephone notice of a forfeit in NSF postseason tournaments should verify the authenticity of the forfeit with the NSF offices.

**All team managers or their designee must attend the team managers' meeting, held before the first games are played.** Those not in attendance will not receive a briefing on any special tournament rules and opening ceremonies. Stay tuned for information on the timing.

The opening ceremonies will be held **one half hour prior to the first scheduled game**. Please arrive 45 minutes early so the event is organized. Only team managers or their designee participates in the opening ceremonies, though the entire team is welcome to attend.

All team managers must report to the tournament headquarters located at **SANDQUIST FAMILY PARK** one hour prior to their first scheduled contest. At this time all bats you intend to use during tournament play will be checked. Only bats which pass inspection by the tournament staff will be legal for use during the tournament.

Additionally, all team managers must report to the tournament headquarters at least forty-five minutes before each game throughout the tournament to complete the lineup card and call the coin toss. If a manager is more than 10 minutes late for pre-game coin toss at Tournament Headquarters, they automatically lose the toss.

**Games shall not start early unless agreed to by both team managers/coaches, host and tournament site manager.**

Teams are asked to support the tournament host by purchasing their food and beverages at the concessions stand(s). Coolers or picnic lunches may not be brought into the complex.

As a guest of the community, it is asked that your team conduct itself in a responsible manner during their entire stay in the host city. Your observance of any special rules that the host has established will assure the tournament's success. As you know, without willing hosts we would have no postseason competition for the sports enthusiasts in North America. With your assistance, we can be assured that our softball program will continue to grow and benefit thousands of participants each year.

In closing, it is the NSF desire that your team performs to the best of their ability and enjoys the opportunity to participate against teams of their own caliber.
