**Dear Youth Baseball Association:**

The Minnesota Sports Federation extends a special invitation to your community to serve as a host for a 2021 state tournament(s). **The tournaments will be held July 23-25.**

The ultimate success of the MSF State Championships is dependent upon the selfless efforts of host communities. If your community/association is interested in hosting a MSF State Championship, please complete the application that is attached. Hosting an MSF event is an excellent way to raise funds for your association or booster club.

During the 2020 season, several hundred teams participated in both the MSF Qualifiers and State Tournaments from all over the state of Minnesota. The year of 2021 promises to be another great one for baseball enthusiasts, especially sans the effect of COVID.

With this bright forecast ahead, we ask that you submit your bid for the tournament package(s) of your choice. Please carefully review all the enclosed information especially the number of fields required. **The deadline for bids is WEDNESDAY, JANUARY 6, 2021.** An earlier response would be appreciated.

**Reminder: The MSF requires HOSTS to block hotel rooms (approximately 10 hotel rooms for each out of town team expected; if you hosted last year, anticipate a similar number. If you did not host last year, please contact the MSF for an approximation) and also name a housing coordinator to assist participating teams (Please include hotel information and map to your facilities with your bid application).**

State tournament hosts MUST have a tournament headquarters cell phone and utilize their association/tournament website to post schedule changes due to inclement weather in a timely fashion.

Thank you for your past and continuing support of MSF Baseball. Should any questions arise, feel free to contact Perry at [perry@msf1.org](mailto:perry@msf1.org) or (651) 451-3140. Email will be more efficient.

**Sincerely,**

Perry Coonce  
Executive Director
