* BULLETIN TO TEAM MANAGERS *

ADULT POST SEASON TOURNAMENT PLAY

IMPORTANT — PLEASE READ

Your ticket to play is to follow the below checklist:

- Check in with your NSF ♦ MSF roster properly completed with all names, signatures and blanks completed. **Important - No Roster - No Play!** Rosters of teams which competed in district play will automatically be forwarded to the state tournament site.
- Three pick up players are allowed in all divisions of play and must conform with the requirements for that specific division of play. (See current guidebook page 12 and below for specific rules and pages 79-81 for required form.

Once picked up, pick up players may be replaced but not re picked up by another team. (i.e. pickup players used for district or state play may be replaced for state or national play) Pick up players may not emanate from other teams participating in post-season play. Pickup players must come from the same softball division and same or lower class and same softball community as the team picking them up. Church teams are also allowed two pick up players and pick ups must come from another church team from the same softball community. If a masters - 35 team picks up a player they must comply with the above rules plus the masters age rule.

- Casual Profanity Rule will be enforced (see current NSF ♦ MSF softball guide book).
- Team Eligibility & I.D. Rule

All players participating in post-season tournament play must have their current state driver's license picture I.D., military picture I.D., company picture I.D., college picture I.D., drivers permit or license revocation slip in their possession (at the team bench) for each game they play in. If a rostered player is under 16 years of age and does not have a driver's license, they must bring either a student picture I.D. or birth certificate. **No other form of I.D. will be accepted.** If a player's last name is different on their license versus the roster due to a name change (i.e. marriage) they must also bring a copy of their marriage license. If a driver's license has been revoked, the player must have the state revocation/application slip. Teams will be checked at random during state tournament play. Teams found with player(s) not in possession of the required I.D. will be required to deposit a \$200.00 identification bond in order for the team to continue tournament play (teams with illegal players should immediately drop out of the tournament to mitigate harsher penalties). Teams who do not pay the \$200.00 deposit will not be allowed to continue in the tournament. In addition, **each** player(s) without required I.D. who testifies they are legal and the player listed on the scorecard/roster, may continue tournament participation by submitting a \$25.00 **non-refundable cash** (no checks) participation fee (this non-refundable **cash** fee will be divided equally between the state Junior Olympic program and Softball Hall of Fame). Players without the proper identification who do not pay the \$25.00 non-refundable fee will not be allowed to participate. In addition, the unidentified player(s) must pose for a photograph and sign a statement of identification in order for their team to continue play. Upon proof of each player(s) identification and legality, either at the site or at NSF ♦ MSF offices, the \$200.00 bond will be returned. Failure to pay the \$200.00 cash bond, pose for a picture and sign the I.D. statement will disqualify the player and team from the game, tournament and advancement to further competition. Failure to exhibit proof of identification by the Wednesday after the tournament will cause the team to forfeit the \$200.00 bond.

Please contact NSF ♦ MSF offices at least three days prior to the tournament if you have a potential problem with required I.D.'s.

TEAMS WILL BE CHECKED AT RANDOM - BE PREPARED!!

NATIONAL SPORTS FEDERATION ♦ MINNESOTA SPORTS FEDERATION SOFTBALL TOURNAMENT ROSTER INSTRUCTIONS

PLEASE READ CAREFULLY

Teams shall hand carry their correctly completed white copy of the roster to the post-season tournament site and hand deliver it to the MSF tournament manager prior to commencing play. Rosters which are incomplete or not legible will be rejected and the team eliminated from competition.

League directors are responsible for reviewing the roster, crossing out the extra blank spaces and signing the post-season roster (white copy). League directors are also responsible for designating and circling the "team number assigned" on the white state tournament roster at the time the team advances to state tournament play. This number identifies the team number the team is advancing as from your community and corresponds to the number located on the tournament draw.

In order for the team manager to be eligible as a player, their name must also be listed and signed in the players section.

Do not mail the tournament roster. Teams without "official tournament rosters" will not be permitted to participate.

In addition to presenting one of the forms of I.D. listed below, players claiming eligibility through employment or residence in the USA shall be prepared to exhibit **one** of the following items:

Rosters for softball teams participating in church divisions must be signed in the designated space by the head of the church, which validates the church membership of the players listed on the official tournament roster. (Player's church membership must have been established prior to March 1.)

4. Military Separation Papers
5. U.S. Drivers License

Age verification documents must be in possession of the team at all times for random checks. Submit copies only as there is no guarantee of return.

Any team without a properly completed roster (includes team manager and league director's signatures) or found to have an ineligible player(s) (i.e. a player who has illegally participated in two post-season tournaments in the same division of play, etc.) shall be immediately disqualified from competition.

All players participating in post-season tournament play must have their current state driver's license picture I.D., military picture I.D., tribal enrollment picture I.D., company picture I.D., college picture I.D., drivers permit or license revocation slip in their possession (at the team bench) for each game they play in. Teams found with player(s) not in possession of the required I.D. will be required to deposit a \$200.00 identification bond in order for the team to continue tournament play (teams with illegal players should immediately drop out of the tournament to mitigate harsher penalties). Teams who do not pay the \$200.00 deposit will not be allowed to continue in the tournament. In addition, **each** player(s) without required I.D. who testifies they are legal and the player listed on the scorecard/roster, may continue tournament participation by submitting a \$25.00 **non-refundable cash** (no checks) participation fee. (This non-refundable **cash** fee will be divided equally between the state Junior Olympic program and Softball Hall of Fame). Players without the proper identification who do not pay the \$25.00 non-refundable fee will not be allowed to participate. In addition, the unidentified player(s) must pose for a photograph and sign a statement of identification in order for their team to continue play. Upon proof of each player(s) identification and legality, either at the site or at MSF offices, the \$200.00 bond will be returned. Failure to pay the \$200.00 cash bond, pose for a picture and sign the I.D. statement will disqualify the player and team from the game, tournament and advancement to further competition. If the home team is losing prior to the start of the 7th inning, or any other inning where the run rule may be invoked, the home team shall "flop" at-bats with the visiting team, batting two times in a row. If the new visiting team scores enough runs to avoid the run rule, or ties or goes ahead in the 7th inning, the original visiting team shall bat as the new home team for the remainder of the game. NOTE: Leagues and registered invitational tournaments may wish to make use of the "Flop Rule" automatic when multiple games are played on a field.
8. Slowpitch: 3/2 count (**NO courtesy foul**).
9. Slowpitch: Untouched fair balls hit over the fence in excess of the limits designated below shall be ruled outs.

In Co-Rec, male and female players must bat alternately! **Exception:** If a co-rec team is playing with nine players an automatic out is always declared at the end of the line-up and occurs where players of the same gender bat back to back. Extra players arriving on the team bench after the start of a game up to 12 **must be** immediately inserted in open positions in the line-up and bat at the bottom of the batting order. If a Co-Rec team is reduced to eight players it is permissible to have two male/one female or vice versa, outfielders/infielders. In Co-Rec, teams must have a male/female or vice versa, pitcher/catcher combination at all times. 17. A ten minute grace period shall be allowed on the team's first scheduled game in the tournament before a forfeit is declared. Game time posted on tournament bracket board is forfeit time for succeeding games. Teams which forfeit their first game in a double elimination district or state tournament shall have one hour and fifteen minutes from their initial game time to contact the NSF♦MSF tournament site manager regarding their second game. Should no contact be made within the 1:15 time limit, the second game shall be declared a forfeit.
18. In the event of a double forfeit in the winners' bracket, a coin toss shall determine which team drops to the losers' bracket. (Neither team advances in the winners' bracket.)
19. MSF reserves the right to adjust a bracket prior to tournament play due to forfeits, inclement weather or other conflict.
20. A game which is suspended due to inclement weather, darkness or any other reason, shall be resumed from the exact point of suspension. Affected teams should report to tournament headquarters site manager before departing the site to ascertain any changes.
21. In the event of inclement weather which causes **at least a 2-hour delay** of the tournament, the MSF tournament manager (after consulting with MSF Administrative Staff) reserves the right to:
 - a. In slowpitch shorten the length of games to five innings with a 55 minute time limit and drop courtesy foul. (No new inning shall begin after 55 minutes.)  - c. Cancel the remainder of the tournament when all of the teams which are left will advance to further competition. Seeding and determination of awards will be accomplished by tiebreaking procedures. (See rule #28) Make a partial refund of surplus umpire fees to teams that did not receive minimum of two games.
23. During their time(s) at bat the batting team is allowed to have a first base coach, third base coach, on deck batter and batter on the field of play. All other team members must remain in the dugout or outside the "live ball" areas. **Note:** Players disqualified for violation of the dugout rule are disqualified for that game only. If the disqualified player acts in an unsportsmanlike manner upon their disqualification, the player is ejected from the game/tournament.
24. Any player, coach or manager ejected from a game for an unsportsmanlike act shall be prohibited from participating in any remaining contests (subject to appeal) in the tournament and must leave the tournament site. If reinstated, must sit out a minimum of one full game. MSF tournament managers, UIC's and district/state staff have the authority to eject unsportsmanlike players, coaches, managers or fans prior to, during and after a game has been officially completed.

Violation: Tournament disqualification of violating team.
28. Teams are asked to form a line and shake hands following the conclusion of each game.
29. Following completion of the first round of tournament play the official tournament schedule becomes the bracket board posted at tournament headquarters. Managers/players must check it after each game they play.
30. Unless amended, the number of teams designated in the softball guide, as advancing teams, shall receive berths into NSF regional, area or national tournament play.
31. When two or more teams are tied for a place or an advancing position in bracket play and playoff games are unnecessary or not possible or the tournament is cancelled due to inclement weather, the below tiebreaking criteria shall apply to games played in the tournament in the order shown: (order winners' bracket teams first, then losers' bracket)
 - 1) Head to head competition (when two teams are tied)
 - 2) Average runs allowed per game
 - 3) Average run differential (+ -)
 - 4) Average runs scored per game
 - 5) Coin flip
- Note:** Games won on forfeit are not included in the totals for #'s 2-4.
32. If a team qualifies to advance to the next level of tournament competition (i.e. state, regional) and then forfeits a succeeding game in the tournament they are currently playing in, they shall also forfeit their advancing position to state, regional or national tournament play.
33. **Infectious Disease Control Rule:** A player, coach or official who is bleeding or who has blood on their uniform shall be prohibited from participating further in the game until appropriate treatment has been administered. Appropriate treatment is:
 - 1) Bleeding has stopped
 - 2) Injury is covered
 - 3) Uniform changed (contrasting color will be allowed) or disinfected with acceptable disinfectant*

- 2) A solution of 1/4 cup of 70% isopropyl alcohol and one gallon of water

34. Concussion Management Guidelines

A concussion is an injury to the brain and any injury to the brain is serious. It is caused by a blow to the head or a blow to the body resulting in an injured brain. Even a seemingly minor blow or jolt can cause a brain injury.

All umpires in Minnesota who officiate games in which 18-under players participate, must undergo concussion training at the website provided below.

Common Concussion Symptoms

Headaches	Nausea	Vomiting	Balance Off
Dizziness	Fatigue	Sensitive to Light	Sensitive to Sound
Ear Ringing	Numbness and Tingling	Visual Problems	Mentally Foggy
Difficulty Concentrating	Difficulty Remembering	Confusion	Nervousness
Drowsiness	Slurred Speech		

Return to Participation

Athletics should not return to play until:

Evaluation and clearance by Health Care Professional

Athletes must be symptom free at rest and during progressively demanding exercises.

Athletes must remain symptom free upon returning to practice/play.

Detailed Concussion Training is available at www.cdc.gov/concussion/headsup/youth.html

Additional resources available at www.mnata.com or www.braininjurymn.org

35. In case of an injury to a player the game official shall allow an individual(s) identifying themselves as a coach, relative or qualified medical person on the playing area to help provide medical assistance. The game official shall record the name of the individual(s) allowed on the playing area on the scorecard. **Note:** If a qualified medical person has been provided by the MSF or tournament host, this shall be the only medical person allowed on the playing area unless the medical person provided requests or authorizes the assistance of another medically qualified person (Coaches or relative(s) shall always be permitted on the playing field to check on or assist with an injured player).

CLASS D CO-REC PLAYING RULE MODIFICATION

Four outfielders must remain on the outfield grass until the ball is contacted by the batter.

CASUAL PROFANITY/FAMILY ATMOSPHERE RULE

Casual profanity pertains to expletives **not directed at umpires or opposing players**, but uttered by a player, manager/coach frustrated with themselves, a teammate or fan. (Examples include: A player/manager swearing after a pop out, strike out, boot of a ball, or at a belligerent fan, etc.). This type of "casual" profanity is penalized by "outs" being declared against the offending team.

PENALTY

If the offending team is at bat and profanity is used, the player is out unless the result of the play is an out in which case the next batter will be declared out.

If the offending team is in the field, the first player(s) to bat in their half of the inning will be declared out. It is possible for a team to come to bat with one or more outs already recorded or lose their at bat altogether. Outs will be treated as delayed dead ball situations.

NOTE: Profanity directed at opposing players or umpires must always be penalized by ejection (an out is not declared).

RATIONALE

The "**Casual Profanity Rule**" provides a lesser penalty for the grey area between accepted conduct and those situations where the offender must be ejected. This rule is meant to sensitize players and discourage them from using words that are considered offensive/obscene. In an ideal world this rule would not be necessary and hopefully it will serve as a major deterrent and reminder not to use unacceptable language.

The above "Casual Profanity Rule" has been officially adopted for sanctioned tournament/post season tournament play and is highly recommended for adoption at the local league level. Please check with your local league director to see if it has been adopted for use there.

EQUIPMENT

1. Until such time that the MSF establishes its own bat standards for various levels of postseason and registered invitational tournament play, we will be using the national bat standard found at <http://www.teamusa.org>. Exception: Masters slow, co-rec slow, and church slow jersey colors do not need to match, but must still be numbered.

VIOLATION

Illegally uniformed player(s) shall be withheld from competition by their team until they become legal. If a player(s) violates this rule by attempting to enter or entering the game prior to becoming legal the umpire shall not permit the game to proceed and a forfeit shall be declared if sufficient legally uniformed players are not present (Note: If the umpire fails to note an illegally uniformed player until it is brought to their attention, the player(s) shall then be withheld from the game until they become legal. If they cannot become immediately legal and sufficient properly uniformed players are not present (nine-men's and women's slow, eight-co-rec slow, men's modified and men's fastpitch) a forfeit shall be declared.

4. Teams are responsible for supplying their own trainer (if desired) and first aid equipment which shall include infectious disease control solution.

12. Bats will be tested for compliance at selected Slowpitch State/NQ Tournaments. Bats that fail shall be withheld from play and secured by the tournament UIC until the owner's team has been eliminated from tournament competition. Bats that are withheld will be randomly selected for a more rigorous inspection and will be returned undamaged to the owner within 30 days or the bat will be replaced.
