MINNESOTA SPORTS FEDERATION**

**118 12th Ave. N. • South St. Paul, Minnesota 55075  
(651) 451-3140 • [www.msf1.org](http://www.msf1.org) • [staff@msf1.org](mailto:staff@msf1.org)**

Spring 2023

Dear Adult Softball Directors:

**Welcome to NSF ♦ MSF Softball in 2023**

**\*\* NOTICE \*\*    \*\* NOTICE \*\*    \*\* NOTICE \*\*    \*\* NOTICE \*\*    \*\* NOTICE \*\***

We hope this mailing/email finds all going well! As previously noted, despite inflation, all NSF♦MSF membership fees and services remain unchanged this year. The state tournament entry fee has been raised to \$215 for three games guaranteed, still a bargain!

Should you have questions that have not been answered to date, please contact [perry@msf1.org](mailto:perry@msf1.org) along with your phone number. Perry is also available to meet with you, if you desire.

The minute you know how many sets of team membership materials you need, please email [perry@msf1.org](mailto:perry@msf1.org) that number and materials will be shipped or dropped off. At the same time, please advise whether you want NSF♦MSF blank roster forms to use or not. (They are required for all teams participating in registered weekend or state tournament play).

Enclosed/attached are the 2023 softball team membership forms and other miscellaneous information.

For your convenience enclosed is a list of various deadlines which are essential to meet. In order to provide the best possible service to your league, it is imperative to meet these established deadlines.

**Teams with four or more returning players must be classified in the same class they were in last year, unless they were moved up or petitioned to moved down and are approved (if this occurs, we will notify you).**

No teams were reclassified last fall.

**Please note teams registering in more than one division must pay the \$15/25 registration fee for each division they register in.**

Please review the entire guide, paying particular attention to the screened areas which indicate points of emphasis and/or changes.

The NSF♦MSF program in Minnesota continues its number one status with nearly 2,000 teams affiliated. The number of teams participating in NSF♦MSF post-season tournaments is comparable with that of any other softball organization in the state. This is due to the statewide NSF♦MSF membership which includes both greater Minnesota and the metro area. This can be attributed to the lowest team, umpire, and tournament entry fees available plus the quality programs supplied by the many NSF♦MSF member communities at the local level.

**- SEE REVERSE -**

**SERVING MINNESOTA THROUGH SPORTS**

**A few highlights of the 2023 program include:**

1. An NSF♦MSF league is very simple to administer. Follow the guidelines on page 8 of the softball guide book under the “How To Administer a League” section.
2. Official NSF♦MSF softball scorecards are once again available. These cards are a must for smooth running tournaments or leagues. The scorecard includes an area for the umpire to record line-ups, substitutes and home run totals. Eliminates disputes and controversy. Printed on durable card stock, the cost is just \$5.50 per package of 50. To order, please utilize the enclosed softball order form.
3. Softballs at low, low prices are once again available through Sports Federation offices. To order, please use the enclosed order form or see page 83 of the current softball guide. Your support of this program helps keep participant fees as low as possible.
4. Per previous correspondence, all leagues are now required to file regular season rosters with the NSF♦MSF for all registered teams. **Please note the adult team roster deadline is JULY 1 with no changes after that date.**
5. Out of concern for safety and excessive homeruns the 52 COR/300 compression optic yellow (red stitch) ball will be used for all men’s and women’s slowpitch and the 11”/12” ball in Co-Rec Slowpitch. Modified and Fastpitch use the 47 COR/375 cork center ball for post-season tournament play.
6. USSSA bats are legal for use in NSF♦MSF leagues, as long as the 52 COR/300 ball is being used. The ball will not dent USSSA bats.

We are pleased once again to announce the corporate support of Starr Softball. Through the corporate financial support of these four companies, the Sports Federation will be able to continue to offer enhanced membership services while maintaining the lowest possible fees. Your support of these sponsors is vital to this effort.

**A reminder the “Active Rewards & Loyalty Program” (ARLP) returns once again to reward member softball communities with cash rebates to promote maximum participation in postseason play.**

We look forward to providing you with the support services you need to provide your softball participants with the best possible program again this year. The NSF♦MSF programs offer teams the most bang for their buck! If we can answer questions or assist in any way, please do not hesitate to call.

Very sincerely,

Perry Coonce  
State Softball Commissioner  
Executive Director

**P.S. To Fastpitch League Directors:**

Leagues may classify a maximum of 20% of their teams in Class D. These must be the bottom (poorest) teams in a respective league. Teams must be classified by May 15 when the team membership forms are due, but adjustments may be made if the teams originally classified “D” do not wind up being the bottom 20% in a league.

# NEWS RELEASE

## FROM THE MINNESOTA SPORTS FEDERATION

118 12th Ave. N. ♦ South St. Paul, MN 55806 ♦ (651) 451-3140 ♦ [www.msfl.org](http://www.msfl.org)

### **MSF announces major investment in amateur sports via its active rewards and loyalty program designed to promote and reward participation in amateur adult team sports**

In an effort to increase participation in MSF adult team sports activities and further reward those communities that do, the MSF has established an Active Rewards and Loyalty Program (ARLP). Beginning in 2015, sports communities automatically earned a contribution to their ARLP account for each category listed below. The accumulated funds may be used to send additional teams to postseason state tournament competition, wholly or partially paying the team entry fees for adult sports teams advancing to the MSF State Tournament from their sports community.

Below are the categories where active rewards dollars are earned and the amount earned.

<u>Category</u>	<u>Active Rewards Dollars Earned</u>
League registered MSF adult summer softball teams registered from your community	\$1 per team registered
MSF adult state tournament entries entered by your sports community	\$5 per team sent
MSF adult member softball umpires from your community	\$5 per umpire sent
MSF adult registered softball tournaments held in your community	\$5 per tournament registered
MSF Fall or Winter non-softball league teams registered from a community that registers all their adult softball teams and umpires with MSF in the same calendar year	\$5 off each winter team registered (discount taken directly on winter team registration, does not go into ARLP account)
League purchase of softballs	\$.50 per dozen purchased

### Program Conditions

1. Rewards dollars must be used during the following softball season or lost.
2. Active rewards may only be used for paying MSF postseason state tournament entry fees when three or more teams are sent to NSF-MSF postseason tournament play. However, if a community has a special program to promote adult recreational team sports competition in their community or a special need for equipment or capital improvements a special grant request may be made to use their active rewards funds in that manner.
3. In order to redeem active rewards dollars, all adult teams and applicable umpires from sports community must be registered with the MSF during the calendar year redeemed.
4. MSF will produce an annual report showing active rewards dollars accumulated/utilized by your community.
5. This program is subject to change at any time.

### Summary

As stated, this program has been initiated to promote adult state tournament team competition and reward communities for their MSF membership. It's a major continued reinvestment in Minnesota amateur team sports competition by the MSF. With these rewards and incentives accumulating starting in 2015 and beyond, the MSF amateur team sports program is far superior to others in terms of actual participation cost and the ability to reward and promote your local program/teams. If questions arise, do not hesitate to contact the Minnesota Sports Federation office.
