We hope this note finds all going well ! (If you are not the person responsible for your off season girls volleyball program we would appreciate your passing this on to your local club - - thank you)!

Congratulations to all teams that completed another memorable and competitive season of high school volleyball and those fortunate enough to be playing in the MSHSL State Tournament this year.

With the completion of another successful season of high school volleyball, now is the time to begin thinking about continuing to help hone your players skills during the "off-season".

As you may know, the Minnesota Girls Volleyball Association / Minnesota Sports Federation along with our tournament host partners offers a slate of statewide off season state tournament opportunities beginning in March of each year.

The MSF program is a lower-cost , less-hassle , more compact , family friendly alternative for playing second season volleyball for a number of reasons:

- ★ We charge no individual player or club/coach fees. No voluminous paperwork or meeting/training requirements.
- ★ We provide paid HS officials for all contests; players, coaches or parents do not officiate, line judge or score.
- ★ Our entry fee is just \$200 per tournament for eight games guaranteed with most teams getting 10 or more. Discounted entry fee for teams that enter three or more tournaments.
- ★ Concessions are provided.
- ★ Tournaments are all one day.
- ★ We use the high school rules players are familiar with.
- ★ Low-cost player, coach and team insurance is available upon request.
- ★ Awards presented are quality, generous and distinctive.
- ★ All events are fundraisers for local programs.

For your convenience attached is our 2026 flyer/tournament entry form. It is also posted at www.msf1.org on our Girls Volleyball page in the right hand column. Although we try to accommodate all teams that want to play at a specific site it is becoming more common for sites to fill, generally due to not having an infinite number of courts available.

There are tournament hosting opportunities available from time to time. Hosting an MGVA/MSF Girls Volleyball State Tournament is an excellent way to raise substantial funds for your program with about 50% of the work of a normal tournament. (Your work is concentrated during the week/weekend of the tournament). Hosts receive all gate and concessions revenue along with a portion of memorabilia sales. Please contact perry@msf1.org if interested, there may be an opportunity in early May this year.

In closing, we thank you for the role you play in providing volleyball playing opportunities. It's a Great Game!

Sincerely ,
Perry Coonce
